Released: February 2, 2006

Enforcement Bureau Opens New Docket for the February 6, 2006, Filing of CPNI Compliance Certifications (EB Docket No. 06-36)

In this Public Notice, the Enforcement Bureau (Bureau) opens a new docket for telecommunications carriers to file their certifications demonstrating compliance with the Federal Communications Commission's (Commission) rules for protecting the privacy of customer proprietary network information ("CPNI") as directed in a Public Notice released on January 30, 2006, DA 06-223. Members of the public are understandably concerned about the safeguards employed by the companies handling their private information and contacted the Bureau seeking information about the CPNI compliance certifications. Opening a new docket will enable the public to more easily access these carrier certificates.

Carrier compliance certificates for the most recent period, along with the accompanying statement explaining how their respective operating procedures ensure compliance with section 64.2009(e) of the Commission's rules, must be filed **no later than Monday, February 6, 2006**, in accordance with the procedures outlined below. Any CPNI compliance certifications already filed electronically with the Commission will be moved to the new docket by Commission staff. Carriers do not need to re-file their certifications.

Filing Procedures

Carriers' reports, **to be filed on or before February 6, 2006**, must reference EB-06-TC-060 in addition to EB Docket No. 06-36 and should be labeled clearly on the first page as "Certification of CPNI Filing (date of filing)."
