This Certificate of compliance addresses the requirement of FCC's (CFR) Title 47 &64.2009 that the Company provide both a Certificate of Compliance and a "statement accompanying the certificate" to explain how its operating procedures ensure compliance with FCC's (CFR) Title 47 &64.2001-.2011.

On behalf of the Company, I certify as follows:

1. I am the President & CEO of the Company. My business address is

419 Huntingdon Rd, PO Box 398

2. I have personal knowledge of the facts stated in this Certificate of Compliance. I am responsible for overseeing compliance with the Federal Commission's (FCC) rules relating to customer proprietary network information (CPNI).
3. The Company has established a system by which the status of a customers' approval for use of CPNI, as defined in 47 USC 222(h)(1), can be clearly established prior to the use of CPNI. The Company relies on the involvement of its high-level management to ensure that no use of CPNI is made until a full review of the applicable law has occurred.
4. The Company trains its personnel regarding when they are authorized to use CPNI, as well as when they are not authorized to use CPNI. However, Company personnel make no decisions regarding CPNI without first consulting with myself or Patricia A Yoders, The Company's Customer Service Manager. The Company has an express disciplinary process in place for personnel who make unauthorized use of CPNI.
- 5: The Company's policy is to maintain records of its own sales and marketing campaigns that use CPNI. The Company likewise maintains records of its affiliates' sales and marketing campaigns that use CPNI. The Company also maintains records of all instances where CPNI was disclosed or provided to third parties, or where third parties were allowed access to CPNI. These records include a description of each campaign, the specific CPNI that was used in the campaign, and the products and services that were offered as a part of the campaign. The Company maintains these records in its offices for a minimum of one year.
6. The Company's policy is to maintain records of customer approval for use of CPNI, as well as notices required by the FCC's regulations, for a minimum of one year. The Company maintains records for customer approval and disapproval for use of CPNI in a readily available location that is consulted on an as-needed basis.

**CERTIFICATE OF COMPLIANCE WITH PROTECTION OF CUSTOMER PROPRIETARY
NETWORK INFORMATION RULES (Cont'd)**

7. The Company's policy is to maintain records of a CPNI breach for a minimum of two years. These records will include a description of the steps the company took to prevent the breach, how the breach occurred, the impact of the breach and proof of notification to law enforcement and the customer, if applicable.
8. The Company has a supervisory review process regarding compliance with the FCC's rules relating to protection of CPNI for outbound marketing situations. The purpose of this supervisory review process is to ensure compliance with all rules prior to using CPNI for a purpose for which customer approval is required. Company personnel, prior to making any use of CPNI, must first consult with myself or Patricia A. Yoders regarding the lawfulness of using the CPNI in the manner contemplated. In deciding whether the contemplated use of the CPNI is proper, either Patricia A. Yoders or I consult one or more of the following: the Company's own compliance manual, the applicable FCC regulations, the FCC's Compliance Guide, and if necessary, legal council. The Company's sale personnel must obtain supervisory approval from either Patricia A. Yoders or I regarding any proposed use of CPNI.
9. Further, both Patricia A. Yoders and I personally oversee the use of opt-in, opt-out, or any other approval requirements, or notice requirements (such as notification to the customer of the right to restrict use of, disclosure of, and access to CPNI), contained in the FCC's regulations. I also review all notices required by the FCC regulations for compliance therewith.
10. Patricia A. Yoders and I also ensure that the Company enters into confidentiality agreements, as necessary, with any joint venture partners or independent contractors to whom it discloses or provides access to CPNI.
11. Both Patricia A. Yoders and I personally oversee completing and submitting EB Docket No. 06-36, which is due on or before March 1 each year. The form includes explanation of any action taken against data brokers, a summary of all customers' complaints, and an explanation of breaches.
