Re: MM Docket No. 92-264

Dear Ms. Dortch:

Comcast Corporation (“Comcast”), pursuant to its letter of September 22, 2003, hereby notifies the Commission that it has closed the following transactions since September 24, 2008:

(1) Acquisition of SMATV systems in Florida serving approximately 1909 subscribers from Century Communications of Florida, Inc. on September 30, 2008; (2) Acquisition of a cable system in California serving approximately 8673 subscribers from City of Alameda, CA on November 21, 2008; (3) Acquisition of a cable system in West Virginia serving approximately 1099 subscribers from Mannington T.V., Inc. on December 1, 2008; (4) Acquisition of a cable system in Alabama serving approximately 2164 subscribers from Rapid Communications LLC on December 17, 2008; (5) Acquisition of a SMATV system in California serving approximately 793 subscribers from Clearbay Communications LLC on December 23, 2008; (6) Acquisition of a SMATV system in Florida serving approximately 239 subscribers from Telemedia Communications, Inc. on February 16, 2009; and (7) Acquisition of a SMATV system in New Jersey serving approximately 400 subscribers from Homestead at Mansfield Security and Cable TV Co. on March 5, 2009.¹

Based on Comcast’s fourth quarter 2008 subscriber numbers and available data for its partnership subscriber numbers, after accounting for the above transactions, Comcast estimates that, under the FCC’s attribution rules, Comcast currently serves approximately 24,782,639 MVPD subscribers or approximately 25.42% of all MVPD subscribers.²

Sincerely,

/s/ Thomas R. Nathan

Thomas R. Nathan

Comcast Cable Communications LLC

cc: Monica Desai, Chief, Media Bureau

¹ There have been no acquisitions of an MVPD with 25,000 or more subscribers since Comcast’s September 24, 2008 letter.

² See SNL Kagan, *US Multichannel Subscribers*, Dec. 31, 2008 (reporting that there are 97.5 million MVPD subscribers nationwide, thus $24,782,639 \div 97,500,000 = 25.42\%$).
