Annual 47 C.F.R. § 64.2009(e) CPNI Certification

EB Docket 06-36

Annual 64.2009(e) CPNI Certification for 2008

Date filed: March 13, 2009

Name of company(s) covered by this certification: ACOMM Inc.

Form 499 Filer ID: 803376

Name of signatory: Jerry L. Chapman

Title of signatory: President

I, Jerry L. Chapman, certify that I am an officer of the company named above, and acting as an agent of the company, that I have personal knowledge that the company has established operating procedures that are adequate to ensure compliance with the Commission's CPNI rules. *See 47 C.F.R. § 64.2001 et seq.*

Attached to this certification is an accompanying statement explaining how the company's procedures ensure that the company is in compliance with the requirements set forth in section 64.2001 *et seq.* of the Commission's rules.

The company has not taken any actions (proceedings instituted or petitions filed by a company at either state commissions, the court system, or at the Commission against data brokers) against data brokers in the past year. Companies must report on any information that they have with respect to the processes pretexters are using to attempt to access CPNI, and what steps companies are taking to protect CPNI.

The company has not received any customer complaints in the past year concerning the unauthorized release of CPNI. Further, there has been no known access to or disclosure of CPNI by personnel without authorization. Also, there have been no instances of improper access to online information by individuals not authorized to view the information.

ACOMM Inc. Statement on CPNI Compliance

ACOMM Inc. is a very small company that provides telecommunication services to commercial customers only.

The Company has a Privacy Policy in place and associated internal procedures to direct the actions of the customer service personnel. These specifically address the FCC regulations on protection and use of CPNI. Policies and Procedures include direction on the following:

- Privacy Statement
- Account ID and password generation and maintenance
- Notification of account changes
- Authentication and challenge requirements
- Valid use of CPNI
- Notification requirements for unauthorized CPNI disclosure

All personnel have had training on the CPNI policies and procedures and the issues that might arise in dealing with contacts from outside the Company that may require the use of CPNI. All new hire employees receive a copy and are trained on the policies.

ACOMM Inc. does not use a call center for support of customers. Commercial accounts are supported by internal account representatives that correspond directly with customers. Also, ACOMM Inc. does not use call centers for the sale of telecommunication services.
