REQUEST FOR EXTENSION OF TIME

Cequel Communications, LLC, dba Suddenlink Communications ("Suddenlink"), by its attorneys, hereby submits this Request seeking a very brief extension of time to Friday, March 20, 2009 to file the FCC Form 477 report. The requested extension is necessary due to a recent injury sustained by the Suddenlink employee responsible for uploading the required Form 477 data on the Commission's electronic filing system.

The Suddenlink paralegal responsible for collecting and submitting the Form 477 data, Mr. Lazslo Lerant, injured his eye in an accident on March 15, 2009. Unfortunately, Mr. Lerant could not attend work today and may be out several more days as a result of his injury. Given the importance of providing the Commission with complete and accurate information, Suddenlink respectfully submits that good cause exists for granting this request until Mr. Lazslo is able to return to work. Additionally, the public will not be prejudiced by this very brief delay.

Accordingly, it is respectfully requested that the Commission grant this Request and allow Suddenlink until March 20, 2009 to file the FCC Form 477 report.

Respectfully submitted,
