RE: Self Transition Letter for Chippewa Valley Technical College
Transition of the 2500-2690 MHz Band for BRS and EBS
Transition Area: BTA Number 234: La Crosse, WI-Winona, MN

Dear Ms. Dortch:

Pursuant to Section 27.1236 of the Commission's Rules, Chippewa Valley Technical College is writing to notify the Commission of its intent to self-transition the Educational Broadband Service ("EBS") license WLX260 in Basic Trading Area ("BTA") 234. We are aware that this BTA has had a transition initiated and a post-transition notification filed by the proponent, but that proponent's documentation and transition did not include our station.¹ Therefore, out of an abundance of caution Chippewa Valley Technical College is going to proceed to self-transition our facilities.

Chippewa Valley Technical College will comply with the remaining requirements of Section 27.1236 of the Commission's Rules, including providing notice of the intent to self-transition to other licensee's in the La Crosse, WI-Winona, MN BTA and working through interference issues.

If you have any questions regarding this matter please contact Mary O'Connor at (202) 783-4141.

Sincerely,

/s/ Bruce Barker
