RE: Self Transition Letter for Pauls Valley Public Schools  
Transition of the 2500-2690 MHz Band for BRS and EBS  
Transition Area: BTA Number 248: Lawton - Duncan, OK

Dear Ms. Dortch:

Pursuant to Section 27.1236 of the Commission's Rules, Pauls Valley Public Schools is writing to notify the Commission of its intent to self-transition the Educational Broadband Service ("EBS") license WNC690 in Basic Trading Area ("BTA") 248. We are aware that this BTA has had a transition initiated and a post-transition notification filed by the proponent, but that proponent's documentation and transition did not include our station.<sup>1</sup> Therefore, out of an abundance of caution Pauls Valley Public Schools is going to proceed to self-transition our facilities.

Pauls Valley Public Schools will comply with the remaining requirements of Section 27.1236 of the Commission's Rules, including providing notice of the intent to self-transition to other licensee's in the Lawton - Duncan, OK BTA and working through interference issues.

If you have any questions regarding this matter please contact Mary O'Connor at (202) 783-4141.

Sincerely,

/s/ Bobby Russell
