Digital Television Transition Education Report,  
Rule Section 27.20.

Fourth Quarterly Report

Dear Ms. Dortch:

We are the licensee of 700 MHz Band Station WQIZ579 (CMA No. 288, Channel Block B). Our Auction 73 long-form application was granted by the Commission at the end of the second quarter of 2008. See *Public Notice*, entitled "Wireless Telecommunications Bureau Grants 700 MHz Band Licenses," DA 08-1521, Report No. AUC-73 (Auction No. 73), dated June 26, 2008.

Pursuant to Section 27.20 of the Commission's Rules, we hereby report that for the quarter ended March 31, 2009, we did not undertake any outreach efforts to educate consumers about the transition from analog broadcast television service to digital broadcast television service (DTV). We have not yet had an opportunity to acquire equipment or to deploy service under our new license.

Very truly yours,

Midwest AWS Limited  
Partnership
