Cavalier Wireless, LLC (“Cavalier”) recently acquired numerous 700 MHz licenses in Auction No. 73 (the “Licenses”). It does not currently deploy service under the Licenses. Therefore, pursuant to Section 27.20 of the Commission’s Rules, 47 C.F.R. § 27.20, Cavalier hereby reports for the quarter covering the period of January 1, 2009 through March 31, 2009, it did not take any outreach efforts to educate consumers about the transition from analog broadcast television service to digital television service (DTV). Nonetheless, if Cavalier utilizes the Licenses to provide service to subscribers prior to the June 12, 2009 transition date, Cavalier will undergo all outreach efforts required by the Commission’s rules in order to educate its subscribers about the DTV transition.
