Petition of TracFone Wireless, Inc. for Waiver of Section 54.418

Dear Ms. Dortch:

On February 24, 2009, TracFone Wireless, Inc. filed with the Commission the above-captioned petition for waiver of Section 54.418 to allow it to use alternative notification procedures to inform its Lifeline customers of the impending transition to digital television broadcasting. One of those alternative procedures is the use of SMS text messages to notify those customers of the DTV transition. By this letter, TracFone confirms that those SMS text messages will be provided to its Lifeline customers at no charge to those customers.

Please direct any questions regarding the information contained herein to undersigned counsel for TracFone.

Sincerely,

Mitchell F. Brecher
