

Please make available the advanced parental control technology for filtering offensive content in TV programming and movies; whether viewed on TV, over the Internet, cable, satellite, DVD Players, Blu-Ray Players, gaming consoles, or other video devices...

Cable and satellite companies should give parents the option of using these parenting tools. This technology will even increase profits for them since filtering out language makes more TV shows and movies OK for family viewing. Yet, a handful of powerful media companies are fighting to keep this technology from families.

Please let the free market work. Please let us have a choice.
