

The vulgar language that is currently being used on tv and in movies is not acceptable to me nor my family. I want foul language filtering technology on tv, cable, satellite, and other devices that show tv programs and movies. As a grandparent, I want the ability to control the content that comes into my home through tv and movies. PLEASE HELP CLEAN UP THE MEDIA. Let the free market work and let me and others like me exercise parental controls to keep tv and movies clean and acceptable to my family.
