Dear Ms. Dortch:

The above-referenced applications seek approval of the transfer of control of Iridium Carrier Services LLC (“Iridium Carrier Services”), Iridium Satellite LLC (“Iridium Satellite”), and Iridium Constellation LLC (“Iridium Constellation”) and their respective FCC licenses and authorizations, from Iridium Holdings LLC and Iridium Carrier Holdings LLC to GHL Acquisition Corp. (“GHQ”), a U.S. special purpose acquisition company established for the purpose of entering into a merger or similar business combination with an operating company (the “Proposed Transaction”). Each of the Iridium entities identified above (collectively “Iridium”) and the United States Department of Justice (DOJ), including the Federal Bureau of Investigation (FBI) are parties to an Agreement dated August 17, 2001 (“Agreement”), which is designed to address national security, law enforcement and public safety concerns. A copy of this Agreement is attached.

This letter makes express Iridium’s request that the FCC condition the assignment of each of the above-referenced authorizations and licenses on compliance by Iridium Holdings LLC, Iridium Satellite, Iridium Carrier Holdings LLC, Iridium Carrier Services, and Iridium Constellation with the terms of the Agreement dated August 17, 2001 reached between the DOJ, the FBI, and Iridium, and reaffirms that each of the existing Iridium parties to the Agreement will remain a party once the Proposed Transaction is consummated. Iridium also confirms that Iridium Carrier Services, Iridium Satellite and Iridium Constellation will continue to hold all of their existing licenses and authorizations if the Commission approves the transaction, and that Iridium and its affiliates understand that compliance with the Agreement will remain a condition of those licenses and authorizations. Iridium further commits to accept compliance with the Agreement as a condition of any new FCC license or authorization it may obtain. Finally, GHQ understands the commitments made by Iridium in the Agreement and reaffirms that Iridium will continue to honor the commitments once the Proposed Transaction is consummated.

Sincerely,
