COMMENTS

Entravision Holdings, LLC ("Entravision"), the permittee of Station KDCU-DT, Digital Channel 46, Derby, Kansas (the "Station" or "KDCU"),¹ by its attorneys, hereby submits its Comments in the above-captioned rule making proceeding. *See Notice of Proposed Rule Making*, DA 09-638, released March 19, 2009. Entravision, in its Petition for Rule Making ("Petition"), in the instant proceeding, proposed a channel substitution in the Final DTV Table of Allotments for Television Broadcast Stations, in Section 73.622(i) of the Commission's Rules. The proposed channel substitution involves the change in the channel allotted to the Station from Digital Channel 46 (both pre- and post-transition) to Digital Channel 31 (both pre- and post-transition). In support thereof, Entravision states as follows.

¹ KDCU is a new station that was allotted as a digital-only station and has never operated on an analog basis.

No. of Copies rec'd 044
List ABCDE

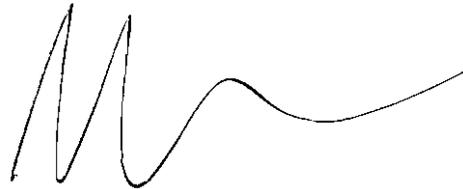

Entravision, for the reasons stated in the Petition and affirmed herein, submits that the channel substitution will best serve the public interest in general and the needs and interests of the viewing public in the Wichita DMA in particular.

Entravision hereby repeats its continuing interest in the substitution of DTV Channel 31 for DTV Channel 46 at Derby, Kansas. If the Petition is granted, Entravision intends to act expeditiously in the filing of an application for a construction permit to effectuate the terms of the channel substitution and, upon issuance of the requested construction permit, to construct the facilities authorized by the construction permit in a timely manner that conforms to the terms of the construction permit.

WHEREFORE, for the foregoing reasons, Entravision Holdings, LLC respectfully requests that the Commission grant its Petition and amend the Commission's Rules as proposed in the Notice of Proposed Rule Making.

Respectfully submitted,

ENTRAVISION HOLDINGS, LLC
