Dear Mr. Martin,

In regard to the proposed changes in the Report on Broadcast Localism and Notice of Proposed Rulemaking, I am encouraging you not to vote in favor of them. If the content of the program is examined, it might result in revision of the principles and beliefs we hold as Catholics. Ultimately this would be very unproductive for all of us. Also, as a result of these changes, Immaculate Heart Radio and other Catholic programs would be unable to pay their bills, which would result in their being taken off the air.

Sincerely,

Dolores Cineda

Dear Mr. Martin,

As a Catholic, I am advocating that you do not consider the new proposals in the "Report on Broadcast Localism and Notice of Proposed Rulemaking" worthy of an affirmative vote. These are very burdensome and probably would result in Immaculate Heart Radio to shut down operations.

Thanks in advance for your consideration.

Sincerely yours,

Dear Sir:

We are writing to you regarding the *Report on Broadcast Localism and Notice of Proposed Rulemaking*.

Mr. Martin, we know that this is an attempt to stop “conservative” talk radio. The creation of local advisory boards that will have authority over program content of all broadcasting stations is nothing more than censorship. Mr. Martin, we have a right to hear Catholic radio programming uncensored. We are guaranteed the freedom of speech in America. It would be wrong to stifle the rights of some to advance others’ agenda.

We thank you for your time and consideration in this matter.

Sincerely,

Katherine A. Cavaretta
