Re: Petition for Declaratory Ruling to Clarify Provisions of Section 332(c)(7)(B) to Ensure Timely Siting Review and to Preempt Under Section 253 State and Local Ordinances that Classify All Wireless Siting Proposals as Requiring a Variance; WT Dkt. 08-165

Dear Commissioner McDowell,

At our meeting on March 18, 2009, we discussed the problems of unreasonable local zoning action and inaction. PCIA has documented some of the most egregious examples and filed them in the above-captioned docket. Here is a copy of that filing for your review. Please let us know if you would like any additional information on this continuing problem in wireless infrastructure deployment.

Sincerely,

Michael Fitch, Esq.
President and CEO
PCIA—The Wireless Infrastructure Association
