**SUPPLEMENT TO JOINT APPLICATION FOR CONSENT TO TRANSFER  
INTERNATIONAL AND DOMESTIC AUTHORITY PURSUANT TO SECTION  
214 OF THE COMMUNICATIONS ACT OF 1934, AS AMENDED**

Woodland Holdings, Corp. ("Woodland"), hereby submits the following supplemental information at the request of the Commission staff and in connection with the above-referenced application (the "Joint Application").

**Qualification for Streamlined Processing**

Woodland affirms that (a) the proposed transaction will result in Woodland having a market share in the local, intrastate, interstate, interexchange marketplace of less than 10 percent; (b) following the proposed transaction Woodland will provide competitive telephone exchange service and exchange access services in the geographic area of Michigan served by a dominant local exchange carrier that is not a party to the transaction; and (c) neither of the applicants is dominant with respect to any service. Consequently, this transaction qualifies for streamlined processing under Section 63.03(b)(2)(i) of the Commission's Rules.

**Transfer of Domestic Section 214 Authorizations**

Pursuant to Section 63.04(b) of the Commission's Rules, the Applicants supply the following information required pursuant to Sections 63.04(a)(6) through 63.04(a)(12) of the

Commission's Rules:

(1) Description of the transaction

The transaction between the Applicants involves the purchase and sale of stock and assets of Transferors. Transferors provide telecom services in the territory of Michigan. Pursuant to a Purchase Agreement to be finalized immediately following the approval from the FCC of the 214 transfers, Woodland will continue to provide services presently being offered by Transferors in Michigan.

After the proposed transaction, service will continue to be made available to all current customers within the affected service area. Woodland will initially offer services at the current rates, terms and conditions offered by transferors. No carrier change charges are associated with the transaction, and customers will be informed as to any changes in customer service or billing contact information that will result from the transaction.

**(2) Description of the geographic areas in which the Transferor and Transferee (and their affiliates) offer domestic telecommunications services, and what services are provided in each area**

**Transferors:**

The Transferors are authorized to provide intrastate, interstate and international telecommunications services to customers in the State of Michigan.

**Transferee:**

Applicant Woodland presently does not provide any telecommunication services today.

There is no overlap between Woodland's and the Transferors services or service area.

(3) Statement as to how the Joint Application fits into one or more of the presumptive streamlined categories in Section 63.03 of the Commission's Rules or why it is otherwise appropriate for streamlined treatment:

The Joint Application is entitled to streamlined processing under Section 63.03(b)(2)(i) of the Commission's Rules because (a) the proposed transfer would result in Woodland, its subsidiaries and affiliates having a market share in the interstate, interexchange market of less than ten percent (10%); and (b) neither Applicant is dominant with respect to any service.

The proposed transaction will have no adverse effect on competition. Grant of streamlined treatment for this Application is consistent with Commission, precedent.

(4) Woodland is owned 100% by Cornerworld Corporation and within Cornerworld Corporation it has two shareholders with at least ten percent interest: Mr. Scott Beck owns 15 percent and Mr. Ned Timmer owns 33% of Cornerworld Corporation. Both Mr. Beck and Mr. Timmer are individuals and US citizens and both with an address at 301 Hoover Blvd, First Floor, Holland, MI 49423. Mr. Beck, Mr. Timmer nor other shareholders of Cornerworld own any other telecom companies.

T2 Communications, LLC and Phone Services and More, LLC are both owned 100% by Mr. Timmer. Neither T2 Communications nor Phone Services and More will hold ownership interest in Woodland or Cornerworld.

(5) Statement of whether the Applicants are requesting special consideration because either party to the transaction is facing imminent business failure. Neither Applicant is facing imminent business failure. Therefore, the Applicants are not requesting special consideration for this reason.

(6) Identification of any separately filed waiver requests being sought in conjunction with the transaction.  
No separately filed waiver requests are being sought in conjunction with the transaction.

(7) Statement showing how grant of the Joint Application will serve the public interest, convenience and necessity, including any additional information that may be necessary to show the effect of the proposed transaction on competition in domestic markets.

The proposed ownership structure of and investment participation by Woodland will enable the continued provision of high-quality communications services to current Transferors customers. In addition, economic and strategic efficiencies will result from the proposed transaction, benefiting the current subscribers of both companies. Because Woodland does not provide service in the areas being acquired from Transferors, competition will not be adversely affected by consummation of the proposed transaction.

#### Conclusion

For the foregoing reasons, the Applicants respectfully submit that grant of this Joint Application by the Commission would serve the public interest, convenience and necessity.

Respectfully submitted,

Scott Beck
