WT Docket Nos. 08-166 & 08-167; ET Docket Nos. 02-380 & 04-186

Dear Ms. Dortch:

On behalf of Verizon Wireless, Adam Krinsky had a telephone conversation on May 7 with Paul Murray, Interim Legal Advisor to Acting Chairman Michael Copps, and Bryan Tramont had a telephone conversation on May 8 with Jim Schlichting, Acting Chief of the Wireless Telecommunications Bureau. During these conversations, Verizon Wireless reiterated the need for prompt action that will result in the rapid elimination of wireless microphone operations in the 700 MHz band and expressed the view that other proceedings should not delay swift and definitive action here.

In accordance with Section 1.1206(b) of the Commission's rules, this letter is being filed electronically with your office. Please contact the undersigned if you have any questions.

Sincerely yours,

/s/

Adam D. Krinsky
