Re: Ex Parte Presentation in: WT Docket No. 07-293, IB Docket No. 95-91, Gen. Docket 90-357, RM No. 8610

Dear Ms. Dortch:

This letter provides notice that on May 12, 2009, Harold Furchtgott-Roth of Furchtgott-Roth Economic Enterprises and Jennifer McCarthy of NextWave Wireless Inc. met with James Schlichting, Aaron Goldberger and David Hu of the Commission's Wireless Telecommunications Bureau regarding the above captioned proceeding in which changes are proposed to the technical rules governing both SDARS and WCS to enable coexistence of the two services.

The parties discussed recent developments regarding plans for joint testing with Sirius XM and the Commissioner's Office of Engineering and Technology in the Northern, VA area, as well as the importance of bringing this rulemaking to a conclusion as quickly as possible to enable WCS licensees to move forward with mobile broadband deployments.

Respectfully submitted,

/Jennifer M. McCarthy/
