Re: Request for Information Concerning Applications of AT&T Inc. and Centennial Communications Corp. for Consent to Transfer Control of Licenses, Authorizations, and Spectrum Leasing Arrangements, WT Docket No. 08-246

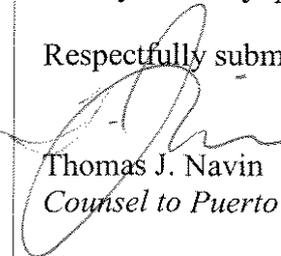

Dear Ms. Dortch:

On April 30, 2009, the FCC's Wireless Telecommunications Bureau sent a Data Request for Third Parties to our client, Puerto Rico Telephone Company, Inc. ("PRT"), regarding the above-referenced transaction. PRT has started to gather the requested data, but will be unable to produce and file such data by the May 15, 2009 deadline initially requested by the Bureau because of a significant strain on internal resources. PRT will be able to provide the Commission with the requested information no later than June 1, 2009.

On May 13, 2009, I spoke with Susan Singer of the Wireless Telecommunications Bureau regarding the inability of PRT to meet the requested deadline. She advised that written notice be provided to the Commission stating the reasons for the delay and expected filing date. Therefore, an electronic copy of this letter is being filed in the above-referenced docket.

Kindly refer any questions in connection with this letter to the undersigned.

Respectfully submitted,

Thomas J. Navin
Counsel to Puerto Rico Telephone Company, Inc.
