**Re: MB Docket No. 07-172**

Dear Ms. Dortch:

On June 4, 2009, the undersigned of the National Association of Broadcasters (NAB) met with Rudy Brioché of the Office of Commissioner Adelstein to discuss the status of the Commission's action on its proposal to permit AM station operations on FM translators. At the meeting, I emphasized the need for swift action on this proposal, which will promote the Commission's public interest goals of diversity and localism. On June 5, 2009, I made the same points in separate telephone conferences with Mr. Brioché and with Rosemary Harold of the Office of Commissioner McDowell.

Please direct any questions regarding this matter to the undersigned.

Respectfully submitted,
