Re: Applications for Consent to the Transfer of Control of  
Iridium Carrier Services LLC, Iridium Satellite LLC, and  
Iridium Constellation LLC, as Amended  
(IB Docket No. 08-232)

---

Dear Ms. Dortch:

ICG hereby withdraws its December 29, 2008 comments on the above referenced application for transfer of control of Iridium. ICG believes that expeditious grant of the application is in the public interest and overshadows any other concerns or objections expressed in this proceeding. The financing, construction and launch of a second generation Iridium system is paramount, and timing in the financial markets is now critical.

ICG gives its full and unconditional support to the grant of this application. Please direct any questions regarding this matter to my attention.

Respectfully yours,
