RE: Applications for Consent to the Transfer of Control of Iridium Carrier Services LLC,  
Iridium Satellite LLC, and Iridium Constellation LLC, as Amended  
(IB Docket No. 08-232)

Dear Ms Dortch:

Rockwell Collins, Inc. hereby withdraws its May 2008 comments on the above referenced application for transfer of control of Iridium. Rockwell Collins, Inc. believes that the expeditious granting of the application is in the public interest and overshadows any other concerns or objections expressed in this proceeding. The financing, construction, and launch of a second generation Iridium system is paramount, and timing in the financial markets is now critical.

Rockwell Collins, Inc. gives its full and unconditional support to the grant of this application. Please direct any questions regarding this matter to my attention.

Respectfully Submitted,

John F. Provenzano  
Senior Director, Federal Affairs
