RE: Qwest Corporation Notification of Withdrawal of a Comparably  
Efficient Interconnection Plan, CC Docket Nos. 95-20 and 98-10

Dear Ms. Dortch:

Pursuant to the below listed proceedings,<sup>1</sup> Qwest Corporation (“Qwest”) hereby notifies the Federal Communications Commission that Qwest has withdrawn from its website its comparably efficient interconnection (“CEI”) plan for Payphone Services and has posted amended plans on the website for the following services:

CEI Plan for Alarm Monitoring Service Providers  
CEI Plan for Audiotex Services

The Payphone Service CEI plan describes the manner in which Qwest offered basic services used with its payphone services; however, in 2004, Qwest exited the payphone business and sold its payphone operation to a third party. Therefore, the Payphone Services CEI plan is unnecessary and is being removed from Qwest’s website. Payphone providers will continue to receive service pursuant to applicable tariffs and catalogs.

Qwest’s CEI Plans can be accessed on Qwest’s public Internet website at the following address:

<http://www.qwest.com/about/policy/docs/cei.html>

Acknowledgment and date of receipt of this notification is requested. A duplicate of this letter is attached for this purpose.
