Re: Ex Parte Meeting -- GN Docket No. 09-51

Dear Ms. Dortch:

On Wednesday, June 18<sup>th</sup>, on behalf of ADTRAN, Inc. ("ADTRAN"), Dr. Kevin Schneider and Gary Bolton met with staff from the Office of Engineering and Technology. During the presentation, ADTRAN discussed current and future broadband access technologies using the attached slide presentation. In addition, ADTRAN distributed copies of the two attached White Papers on defining broadband speeds and latency. Although not specifically addressing the FCC proceeding to develop a national broadband plan, ADTRAN is submitting this material into that record out of an abundance of caution, because some of the materials may be relevant to this FCC proceeding.

In accordance with Section 1.1206 of the Commission's Rules, a copy of this notice is being filed via the Electronic Comment Filing System in the docket for the above-captioned proceeding. Please contact the undersigned if you have any questions with regard to this matter.

Sincerely,

/s/

Stephen L. Goodman  
Counsel for ADTRAN, Inc
