COMMENTS

Lorenz E. Proietti ("Proietti") files these comments in support of his proposal to amend the FM Table of Allotments to allocate Channel 242C2 as a first transmission service at Dubois, Wyoming. Proietti reiterates his continued interest in the allocation of the channel as proposed. In the event that Channel 242C2 is allotted at Dubois, Proietti intends to file an application for a construction permit or participate in any auction proceeding the Commission may conduct for the channel. If Proietti is the successful applicant, he will expeditiously construct the station on grant of his application.

Respectfully submitted,

LORENZ E. PROIETTI
