Re: Docket No. 03-123
Comments on Video Relay Services Rates

Dear Chairman Genachowski:

Please note that I sent you my letter of comment on Video Relay Service Rates last Monday, dated July 6, 2009, Confirmation #200976993363. That letter was erroneously in the editing format. I am resending exactly the same letter in final format showing no edits which should be less confusing.

I apologize for any inconvenience I have caused.

Thank you.
