To Whom It May Concern:

I, Dwight Coords, of New Life Christian School would like to file this letter of appeal the decision by the USAC in regard to the rejection of our form 471 application due to the fact that our "Funding Year 2009 Form 471 Postmarked Outside of Window" on 03/03/2009. I understand that you have to have a deadline of when submissions for form 471 takes place, but I ask you to consider allowing our late submission due to the fact that this is our first year applying and we were not aware of the program until after the deadline. Our submission was immediate upon our speaking with your helpful staff that encouraged our immediate application and reassured us we would be offered an appeal. Please consider our appeal.

If you would like to contact me to discuss this appeal my contact information is below:
