COMMENTS

WWAZ License, LLC ("Petitioner"), by and through its attorneys, and pursuant to Section 1.415 and 1.419 of the Commission's rules, 47 C.F.R. §1.415, 1.419 (2007), hereby submits these Comments in support of its Petition for Rulemaking (the "Petition") to amend the DTV Table of Allotments (47 C.F.R. § 73.622(i)) to change the post-transition, DTV channel assignment of Station WWAZ-DT, Fond du Lac, Wisconsin (the "Station") to Channel 5, and to make related technical changes to the Station's technical parameters.

As discussed in the Petition, the proposed substitution of the Station's post-transition DTV channel from Channel 44 to 5 will permit the Petitioner to deliver its proposed Spanish-language programming to a larger service area. In addition, the proposed facilities will be located on an existing tower structure, eliminating the need for the construction of a new tower, as was the case with the Channel 44 allotment, permitting the Petitioner to conserve its financial resources. Finally, the proposed facility complies with the Commission's processing guidelines regarding the permissible change in a post-transition DTV facility.
