Dear Sirs,

Federal Communications Commission  
Office of the Secretary

This is a message in support of the Catholic Radio Association in opposition to proposals put forth in "Report on Broadcast Localism and Notice of Proposed Rulemaking". The freedom of speech enabled by access to public airwaves should not be compromised by local boards whose interests or agendas may not coincide with the doctrines and social positions of the Catholic Church. Because of this, I respectfully request that you reject the setting up of such boards.

Sincerely,

Rev. Mr. Simeon Panagatos  
116 Church Street
