FULL

SECOND PROTECTIVE ORDER

Adopted: July 29, 2009

Released: July 29, 2009

By the Acting Bureau Chief, Wireline Competition Bureau:

1. Today, the Wireline Competition Bureau (Bureau) issued a Protective Order (*First Protective Order*) regarding confidential or proprietary documents that have been or may be submitted by Qwest Corporation (Qwest) and others that have or may become parties to this proceeding (individually, Submitting Party and collectively, Submitting Parties).¹ We hereby adopt a further Protective Order (*Second Protective Order*) to ensure adequate protection for certain highly confidential and competitively sensitive information that may be submitted by the Submitting Parties.

2. Accordingly, we will permit Submitting Parties submitting such documents and information and those of a similarly competitively sensitive nature to designate those materials as Highly Confidential and, as provided below, we will limit access to such materials to outside counsel of record, their employees, and outside consultants and experts whom they retain to assist them in this proceeding.² We conclude that a *Second Protective Order* will give appropriate access to the public while protecting the Submitting Parties' competitively sensitive information. This *Second Protective Order* covers only those portions of documents or data that fall into one of the categories specified below. The remainder of the document (or a redacted version of the document) is not entitled to the additional protection provided by the *Second Protective Order*.

¹ *Petition of the Petition of Qwest Corporation for Forbearance Pursuant to 47 U.S.C. § 160(c) in the Phoenix, Arizona Metropolitan Statistical Area*, WC Docket No. 09-135, First Protective Order, DA 09-1667 (WCB, rel. July 29, 2009) (*First Protective Order*).

² On other occasions the Bureau has granted similar protection to materials which, if released to competitors, would allow those competitors to gain a significant advantage in the marketplace. See, e.g., *Petition of the Verizon Telephone Companies for Forbearance Pursuant to 47 U.S.C. § 160 in Cox's Service Territory in the Virginia Beach Metropolitan Statistical Area*, WC Docket No. 08-49, Second Protective Order, 23 FCC Rcd 6460 (WCB 2008) (adopting a second protective order); *Petitions of Qwest Corporation for Forbearance Pursuant to 47 U.S.C. § 160(c) in the Denver, Minneapolis-St. Paul, Phoenix, and Seattle Metropolitan Statistical Areas*, WC Docket No. 07-97, Second Protective Order, 22 FCC Rcd 10134 (WCB 2007) (same); *Petitions of the Verizon Telephone Companies for Forbearance Pursuant to 47 U.S.C. § 160(c) in the Boston, New York, Philadelphia, Pittsburgh, Providence and Virginia Beach Metropolitan Statistical Areas*, WC Docket No. 06-172, Order, 22 FCC Rcd 892 (WCB 2007) (same).

3. Any party seeking access to confidential documents subject to the *Second Protective Order* shall request access pursuant to the terms of the *Second Protective Order* and must sign the Acknowledgement of Confidentiality, attached as Appendix A (Acknowledgement).

4. *Definitions.* As used herein, capitalized terms, not otherwise defined herein, shall have the following meanings:

“Stamped Highly Confidential Document” means any document, or any part thereof, that bears the legend (or which otherwise shall have had the legend recorded upon it in a way that brings it to the attention of a reasonable examiner) “HIGHLY CONFIDENTIAL INFORMATION – SUBJECT TO SECOND PROTECTIVE ORDER IN WC DOCKET NO. 09-135 BEFORE THE FEDERAL COMMUNICATIONS COMMISSION,” unless the Commission determines, *sua sponte* or by request pursuant to sections 0.459 or 0.461 of its rules, that any such document is not entitled to such confidential treatment. The term “document” means any written, recorded, electronically stored, or graphic material, whether produced or created by the Submitting Party or another person. By designating a document a “Stamped Highly Confidential Document,” a Submitting Party signifies that it contains information that the Submitting Party believes should be subject to protection under the Freedom of Information Act (FOIA), the Commission’s implementing rules and this *Second Protective Order*.

“Highly Confidential Information” means information contained in Stamped Highly Confidential Documents or derived therefrom that is not otherwise available from publicly available sources. Specifically, Highly Confidential Information covered by the *Second Protective Order* refers to those portions of documents or data – or entire documents, if eligible in their entirety – that disclose the following: revenues or numbers of customers disaggregated by customer type and a market area smaller than the nation (such as a Metropolitan Statistical Area (MSA) or wire center service area) including carrier-specific proprietary line count listings; details of the Submitting Party’s future plans to compete for a customer or specific groups or types of customers (*e.g.*, business or wholesale customers) specifically including the Submitting Party’s future pricing strategies, product strategies, or marketing strategies; detailed or granular engineering capacity information; information regarding the specific locations where a competitor is able to use its own network, including its own loop facilities, through which it is willing and able, within a commercially reasonable time, to offer substitute services for the incumbent local exchange carrier’s (LEC) local service offerings; the identity or characteristics of specific customers or those with whom a company is negotiating; and those portions of documents that have some of the characteristics of more than one category of competitive sensitivity listed above. To the extent that a Submitting Party believes that future submissions fall into one of these categories, the Submitting Party must file a letter explaining which category the information falls within, and the Submitting Party may file under this *Second Protective Order* only those documents specifically authorized by the Bureau.

“Outside Counsel of Record” or “Outside Counsel” means the firm(s) of attorneys, or sole practitioner(s), as the case may be, representing a party in these proceedings, provided that such persons are not involved in competitive decision-making, *i.e.*, Outside Counsel’s activities, association, and relationship with a client do not involve advice about or participation in the business decisions of the client or of any competitor of a Submitting Party nor the analysis underlying the business decisions. Outside Counsel of Record includes any attorney representing a non-commercial party in these proceedings, provided that such a person is not involved in the competitive decision-making activities of any competitor of a Submitting Party.

“Outside Consultants” means consultants or experts retained for the purpose of assisting Counsel or a party in this proceeding, provided that the Outside Consultants are not involved in competitive decision-making, *i.e.*, Outside Consultants’ activities, association, and relationship with a client do not

involve advice about or participation in the business decisions of the client or any competitor of a Submitting Party nor the analysis underlying the business decisions. Outside Consultants include any expert employed by a non-commercial party in these proceedings, provided that such a person is not involved in the competitive decision-making activities of any competitor of a Submitting Party.

“Reviewing Party” means a person who has obtained access to Highly Confidential Information (including Stamped Highly Confidential Documents) pursuant to paragraphs 7 and 10 of this *Second Protective Order*.

5. *Use of Highly Confidential Information.* Persons obtaining access to Highly Confidential Information (including Stamped Highly Confidential Documents) under this *Second Protective Order* shall use the information solely for the preparation and conduct of this forbearance proceeding before the Commission as delimited in this and subsequent paragraphs, and any judicial proceeding arising directly from this proceeding and, except as provided herein, shall not use such documents or information for any other purpose, including, without limitation, business, governmental, or commercial purposes, or in other administrative, regulatory or judicial proceedings. Should the Commission rely upon or otherwise make reference to the contents of any of the Stamped Highly Confidential Documents or Highly Confidential Information in its decision in this proceeding, it will do so by redacting any Highly Confidential Information from the public version of the decision and by making the unredacted version of the decision available only to a court and to those persons entitled to access to Highly Confidential Information under this *Second Protective Order*.

6. *Non-Disclosure of Stamped Highly Confidential Information.* Except with the prior written consent of the Submitting Party, or as hereinafter provided under this *Second Protective Order*, neither a Stamped Highly Confidential Document nor any Highly Confidential Information may be disclosed by a Reviewing Party to any person other than the Commission and its staff.

7. *Permissible Disclosure.* Subject to the requirements of paragraph 10, Stamped Highly Confidential Documents may be reviewed by Outside Counsel and Outside Consultants. Outside Counsel and Outside Consultants may disclose Stamped Highly Confidential Documents and other Highly Confidential Information to: (1) paralegals or other employees of such Outside Counsel or Outside Consultants not described in clause 2 of this paragraph assisting Outside Counsel or Outside Consultants in this proceeding; (2) employees of such Outside Counsel or Outside Consultants involved solely in one or more aspects of organizing, filing, coding, converting, storing, or retrieving documents or data or designing programs for handling data connected with this proceeding, or performing other clerical or ministerial functions with regard to documents connected with this proceeding; and (3) employees of third-party contractors performing one or more of the functions set forth in clause 2 of this paragraph. Reviewing Parties may discuss and share the contents of the Stamped Highly Confidential Documents and Highly Confidential Information with any other Reviewing Party and with the Commission and its staff. A Submitting Party’s Stamped Highly Confidential Documents and Highly Confidential Information may also be disclosed to employees and Counsel of the Submitting Party, as otherwise permitted.

8. *Protection of Stamped Highly Confidential Documents and Highly Confidential Information.* Persons described in paragraph 7 shall have the obligation to ensure that access to Stamped Highly Confidential Documents and Highly Confidential Information is strictly limited as prescribed in this *Second Protective Order*. Such persons shall further have the obligation to ensure that: (1) Stamped Highly Confidential Documents and Highly Confidential Information are used only as provided in this *Second Protective Order*; and (2) Stamped Highly Confidential Documents are not duplicated except as necessary for filing at the Commission under seal as provided in paragraph 13 below.

9. *Prohibited Copying.* If, in the judgment of the Submitting Party, a document contains information so sensitive (even given its Highly Confidential designation) that it should not be copied by anyone, it shall bear the additional legend "Copying Prohibited" and no copies of such document, in any form, shall be made. Application for relief from this restriction against copying may be made to the Commission, with notice to Outside Counsel of Record for the Submitting Party.

10. *Procedures for Obtaining Access to Highly Confidential Documents.* In all cases where access to Stamped Highly Confidential Documents and Highly Confidential Information is permitted pursuant to paragraph 7, before reviewing or having access to any Stamped Highly Confidential Documents or Highly Confidential Information, each person seeking such access shall execute the attached Acknowledgment and file it with the Bureau via the Commission's Electronic Comment Filing System (ECFS) for this docket. All such persons (except as described below) shall serve the Acknowledgment upon each Submitting Party through its Outside Counsel of Record so that the Acknowledgment is received by each Submitting Party at least five business days prior to such person's reviewing or having access to such Submitting Party's Stamped Highly Confidential Documents or Highly Confidential Information, except that, where the person seeking access is one described in either clause 2 or 3 of paragraph 7, the Acknowledgment shall be delivered promptly prior to the person obtaining access. Each Submitting Party shall have an opportunity to object to the disclosure of Stamped Highly Confidential Documents to any persons seeking access. Any objection must be filed at the Commission and served on Counsel representing, retaining or employing such person within three business days after receiving a copy of that person's Acknowledgment (or where the person seeking access is one described in either clause 2 or 3 of paragraph 7, such objection shall be filed and served as promptly as practicable after receipt of the relevant Acknowledgment). Until any such objection is resolved by the Commission and, if appropriate, any court of competent jurisdiction prior to any disclosure, and unless such objection is resolved in favor of the person seeking access, persons subject to an objection from a Submitting Party shall not have access to Stamped Highly Confidential Documents or Highly Confidential Information. The Submitting Party shall make available for review the Stamped Highly Confidential Documents of such party at the offices of such party's Outside Counsel of Record or, if the Submitting Party does not have Outside Counsel of Record, at the offices of such party's in-house counsel; *provided, however*, that multiple Submitting Parties filing together shall make available for review all of their Stamped Highly Confidential Documents at the offices of one of the Submitting Parties' Outside Counsel of Record (the Submitting Parties' Custodian Counsel).

11. *Information in Electronic Format.* Any person entitled to access Highly Confidential Information pursuant to this order, upon request, is entitled to one searchable electronic copy of information contained, recorded, or electronically stored on a CD-ROM, DVD, flash drive, portable hard drive or other electronic storage device. The disk or other medium containing Highly Confidential Information in electronic format shall be physically sent to the person requesting access; it shall not be transmitted electronically.

a. A person in receipt of Highly Confidential Information in electronic format shall load the information onto a computer solely for the purpose of analysis in connection with this proceeding and for no other purpose. The original disk or other storage medium shall be stored in a secure location and a record kept of any persons who access it. Only persons who have signed the Acknowledgment to this protective order may be given access to the disk or other medium.

b. Once loaded onto a computer, the files containing Highly Confidential Information shall be password protected immediately. The password shall be given only to persons who have signed the Acknowledgment. The Confidential Information may not be stored on a computer after being analyzed. Consequently, Highly Confidential Information should not be stored in computer memory that is copied,

such as to a network's back-up or archival storage. After the analysis is complete, the results of such analysis may be stored by saving the results (but not the underlying Highly Confidential Information) to a mobile data storage medium. All files containing Highly Confidential Information shall be deleted from the computer as soon as practicable.

12. *Requests for Additional Disclosure.* If any person requests disclosure of Highly Confidential Information outside the terms of this *Second Protective Order*, such a request will be treated in accordance with sections 0.442 and 0.461 of the Commission's rules.

13. *Filings with the Commission.* Persons described in paragraph 7 may, in any documents that they file in this proceeding, reference Highly Confidential Information, but only if they comply with the following procedure: Two copies of each filing that contains or references Highly Confidential Information pursuant to this *Second Protective Order* (the Confidential Filing) must be delivered in person to Gary Remondino, Wireline Competition Bureau, Federal Communications Commission, 445 12th Street, S.W., Washington, D.C. 20554. The filing should be accompanied by a cover letter prominently stating "HIGHLY CONFIDENTIAL INFORMATION – SUBJECT TO SECOND PROTECTIVE ORDER IN WC DOCKET NO. 09-135." Each page of the confidential or proprietary document should be stamped "HIGHLY CONFIDENTIAL INFORMATION – SUBJECT TO SECOND PROTECTIVE ORDER IN WC DOCKET NO. 09-135 BEFORE THE FEDERAL COMMUNICATIONS COMMISSION." In addition, the Submitting Party must file with the Secretary's Office one copy of the Confidential Filing and two copies of the Confidential Filing in redacted form (the Redacted Confidential Filing). The two copies of the Redacted Confidential Filing and their accompanying cover letters should be stamped "REDACTED – FOR PUBLIC INSPECTION." The cover letter accompanying the Redacted Confidential Filing should state that the Submitting Party is filing a redacted version of the particular Confidential Filing. Parties should not provide courtesy paper copies of filings containing Highly Confidential Information to Commission Staff unless the Bureau so requests, in which case the Submitting Party may print as many copies as the Bureau requests. Any such courtesy copies shall be submitted under seal. However, all parties should submit an electronic copy of filings containing Highly Confidential Information to Tim Stelzig (Tim.Stelzig@fcc.gov) and Denise Coca (Denise.Coca@fcc.gov).

14. *Client Consultation.* Nothing in this *Second Protective Order* shall prevent or otherwise restrict Outside Counsel from rendering advice to their clients relating to the conduct of this proceeding and any subsequent judicial proceeding arising therefrom and, in the course thereof, relying generally on examination of Stamped Highly Confidential Documents or Highly Confidential Information; *provided, however,* that in rendering such advice and otherwise communicating with such client, outside Counsel shall not disclose Stamped Highly Confidential Documents or Highly Confidential Information.

15. *No Waiver of Confidentiality.* Disclosure of Highly Confidential Information as provided herein by any person shall not be deemed a waiver by any Submitting Party of any privilege or entitlement to confidential treatment of such Highly Confidential Information. Reviewing parties, by viewing this material agree: (1) not to assert any such waiver; (2) not to use Highly Confidential Information to seek disclosure in any other proceeding; and (3) that accidental disclosure of Highly Confidential Information by a Submitting Party shall not be deemed a waiver of any privilege or entitlement as long as the Submitting Party takes prompt remedial action.

16. *Subpoena by Courts, Departments or Agencies.* If a court, or a federal or state department or agency issues a subpoena or orders production of Stamped Highly Confidential Documents or Highly Confidential Information that a party has obtained under terms of this *Second Protective Order*, such party shall promptly notify each Submitting Party of the pendency of such subpoena or order.

Consistent with the independent authority of any court, department or agency, such notification must be accomplished such that the Submitting Party has a full opportunity to oppose such production prior to the production or disclosure of any Stamped Highly Confidential Document or Highly Confidential Information.

17. *Violations of Second Protective Order.* Should a person that has properly obtained access to Highly Confidential Information under this *Second Protective Order* violate any of its terms, that person shall immediately convey that fact to the Commission and to the Submitting Party. Further, should such violation consist of improper disclosure of Highly Confidential Information, the violating person shall take all necessary steps to remedy the improper disclosure. The Commission retains its full authority to fashion appropriate sanctions for violations of this *Second Protective Order*, including but not limited to suspension or disbarment of Counsel from practice before the Commission, forfeitures, cease and desist orders, and denial of further access to Highly Confidential Information in this or any other Commission proceeding. Nothing in this *Second Protective Order* shall limit any other rights and remedies available to the Submitting Party at law or in equity against any person using Highly Confidential Information in a manner not authorized by this *Second Protective Order*.

18. *Termination of Proceeding.* The provisions of this *Second Protective Order* shall not terminate at the conclusion of this proceeding. Within two weeks after conclusion of this proceeding and any administrative or judicial review, persons described by paragraph 7 shall destroy or return to the Submitting Party Stamped Highly Confidential Documents and all copies of the same. No material whatsoever derived from Stamped Highly Confidential Documents may be retained by any person having access thereto, except Outside Counsel (as described in paragraph 7) may retain, under the continuing strictures of this *Second Protective Order*, two copies of pleadings (one of which may be in electronic format) containing Confidential Information prepared (in whole or in part) by that party and one copy of orders issued by the Commission or Bureau containing Highly Confidential Information. All Outside Counsel shall make certification of compliance herewith and shall deliver the same to Outside Counsel for the Submitting Party not more than three weeks after conclusion of this proceeding and any administrative or judicial review. The provisions of this paragraph 18 regarding retention of Stamped Highly Confidential Documents and copies of same shall not be construed to apply to the Commission or its staff.

19. Accordingly, IT IS ORDERED that pursuant to sections 4(i), 4(j), and 10 of the Communications Act of 1934, as amended, 47 U.S.C. §§ 154(i), 154(j), 160, and pursuant to authority delegated under sections 0.91 and 0.291 of the Commission's rules, 47 C.F.R. §§ 0.91, 0.291,³ the *Second Protective Order* IS ADOPTED, effective upon its release.
