Re: Application for Transfer of Control and Assignment of Domestic Section 214 Authority of Ardmore Telephone Company Inc., and Ardmore Communications, LLC to Synergy Technology Partners, Inc.; WC Docket No. 09-148

Dear Ms. Dotch:

The shareholders of Ardmore Telephone Company, Inc. (“Ardmore”), Ardmore Communications, LLC (“Ardmore Communications”), and Synergy Technology Partners, Inc. (“Synergy”) filed the above-referenced application on August 12, 2009 requesting authority for the merger of Ardmore and Ardmore Communications and the subsequent transfer of control of Ardmore to Synergy. Synergy hereby files this letter as a supplement to the application to provide the following information.

Synergy is a newly-formed entity and currently does not provide any telecommunications services in any geographic area.

Synergy’s fifty percent (50%) owner, Ben Lomand Rural Telephone Cooperative, Inc. (“Ben Lomand”), resells mobile wireless service in the areas in which it provides local exchange service and (through its affiliates) competitive local exchange service in central Tennessee. Ben Lomand (including its affiliates) does not offer any mobile wireless service in any area that overlaps or is adjacent to the area in which Ardmore and Ardmore Communications provide service.

Please let us know if you have any questions.

Sincerely,

/s/ Gregory W. Whiteaker
