

BEFORE THE
FEDERAL COMMUNICATIONS COMMISSION
WASHINGTON, D.C. 20554

Received & Inspected

AUG 12 2009

In re Amendment of Section 73.202(b))
of the Commission's Rules, Table of Allotments,) MB Docket No. 09-*** FCC Mail Room
FM Broadcast Stations) RM-*****
(KINGSLAND, TEXAS))

To: The Office of the Secretary,
for the Attention of the Assistant Chief, Audio Division, Media Bureau

PETITION FOR RULE MAKING

Munbilla Broadcasting Properties, Ltd. (*MPBL*), by its communications counsel, and pursuant to §§ 1.401 and 1.420 of the Commission's Rules, 47 C.F.R. §§ 1.401, 1.420, hereby petitions the Commission to commence a rule-making proceeding to amend the Table of Allotments, FM Stations, 47 C.F.R. § 73.202(b), so as to allot Channel 284A to Kingsland, Texas as a first local service.¹ As MBPL will show, granting this Petition and allotting the channel as requested will further the public interest, convenience, and necessity, and the goals of Section 307(b) of the Communications Act of 1934, as amended, 47 U.S.C. § 307(b).

I. PETITION

1. MBPL hereby requests the Commission to allot Channel 284A to Kingsland, Texas as a first local service. Kingsland is a Census Designated Place with a population of 4,584, according to the 2000 U.S. Census. Kingsland is located in Llano County, at the confluence of

¹ There is a pending application for a new NCE-FM Facility at Kingsland, FCC File No. BNPED-20071015AFN. However, the application is mutually exclusive with another application, FCC File No. BNPED-20071016A10 for Channel 219A at Llano, and the Point System may favor the latter rather than the former.

Audio-09-43

the Llano and Colorado rivers, in the Texas Hill Country, to the Northwest of Austin. According to the United States Postal Service web site, Kingsland has its own local Post Office, located at 1901 West Ranch Road 1431, Kingsland, open Monday through Friday, 8:00 a.m. to 4:00 p.m., and its own Zip Code, 78639.

- http://usps.whitepages.com/post_office/search?s=TX&z=Kingsland
- <http://zip4.usps.com/zip4/citytown.jsp>

These facts are *prima facie* indicators that Kingsland is a licenseable community. See, e.g., East Hemet et al., California, 4 FCC Rcd 7895, 7896, (1989).

2. According to the *Handbook of Texas Online*:

Kingsland is at the juncture of the Llano and Colorado rivers, fifteen miles southeast of Llano in east central Llano County. It was originally called Kingsville, for Martin D. King, who with J. M. Trussell had purchased the land on which it is located in 1877. The town was the site of a cotton gin and a small trading center in the 1880s. Activity increased with the extension of the Austin and Northwestern Railroad to Llano through Kingsville in 1892. By 1901 the community was known as Kingsland and had become the location of a growing number of businesses, including the Antlers Hotel, built by railroad interests. Kingsland had a reported population of 750 in 1907 but suffered a temporary decline, aggravated by a fire in 1922; in 1925 the population was reported as 150. The opportunities afforded by the Highland Lakes for retirement and recreational businesses had revived Kingsland by the mid-1960s as a regional commercial center, and in 1986 it had numerous businesses, including a national bank, and a population of 1,500. In 1990 the population was 2,725. The population grew to 4,584 in 2000.

3. The Kingsland Branch Library, a part of the Llano County Library System, is located at 125 West Polk Street, in Kingsland. <http://www.llano-library-system.net>. The Kingsland Branch is open Monday through Friday, 8:00 a.m. to 4:00 p.m., and Saturday, 9:00 a.m. to 12:00 p.m. <http://www.llano-library-system.net/kbhome.htm>. The Library blog provides information

about community events and new acquisitions. The Friends of the Kingsland Library is a volunteer organization dedicated to supporting the Library and fostering its activities.

4. The Packsaddle Elementary School is located at 150 Pioneer Lane in Kingsland. The Llano Independent School District operates the School.

- <http://www.llano.k12.tx.us/metadot/index.pl>

- <http://www.llano.k12.tx.us/metadot/index.pl?id=2303&isa=Category&op=show>

Police protection is provided by Llano County, and there is a local Volunteer Fire Department.

The Kingsland Municipal Utility District provides utility services. The Kingsland Water Supply Corporation provides potable water. <http://www.kingslandwater.com/>. The Kingsland Community Center offers meeting space and a venue for special events.

5. Kingsland is home to several local churches. These include the First Baptist Church, 3435 Highway 1431, <http://www.firstkingsland.com/main/>, and Saint Charles Catholic Church, P.O. Box 1748. CASA for the Highland Lakes Area, at 1719 Ridgeview, provides social services. The Kingsland Genealogical Society, P.O. Box 952 in Kingsland, helps local residents trace their roots. Kingsland also has a local Masonic Lodge. <http://kingslandmason.org>. There is also the Preceptor Pi Alpha chapter of the Beta Sigma Phi Sorority in Kingsland, Lambda Nu Chapter 5214, and a local branch of the Lions Club. The Llano Chapter of Gold Prospectors is located at 211 Ranch Road 2545 in Kingsland. There is also a Kingsland Little League team.

6. The Kingsland Garden Club, located at 3900 River Oaks Drive in Kingsland, meets on the first Friday of each month, from May through September.

- <http://yantislakesidegardens.giving.officelive.com/kgc.aspx>

Club officers include Robert and Sheryl Yantis, both Certified Texas Master Gardeners.

- <http://yantislakesidegardens.giving.officelive.com/default.aspx>

7. Kingsland has a local Chamber of Commerce. <http://www.kingslandchamber.org/>

Kingsland also has many local businesses. These include:

8. As Exhibit A hereto, the Engineering Statement of Hatfield & Dawson Consulting Electrical Engineers, indicates, the Commission can allot Channel 284A to Kingsland, consistent with spacing requirements. The reference coordinates of the proposed allotment are:

North Latitude 30° 40' 03"; West Longitude 98 ° 28' 29"

This reference point is within the City of Kingsland, approximately 3.5 km to the Northwest of the coordinates of record for the community:

North Latitude 30° 39' 29"; West Longitude 98 ° 26' 25".

Because the 70-dB $\mu_{r(50.50)}$ contour of a maximum-parameter Class A facility is 16.2 kilometers, there will be full city-grade coverage of Kingsland, as required. The proposed site restriction is thus permissible for a Class A FM allotment. This slight site restriction is necessary to avoid a short-spacing to the coordinates of Construction Permit BMPH-20080707ADE, for Station KXBT, Channel 285A, at Bee Cave, Texas, FCC Facility ID No. 40762.

9. Schematically, MBPL's proposal is as follows:

COMMUNITY	PRESENT	PROPOSED
Kingsland, Texas	---	284A

10. Kingsland is fully deserving of a first local service. This proposal thus ranks Priority Three under Revision of FM Assignment Policies and Procedures, 90 FCC 2d 88 (1982). The 70-dB μ service contour of the proposed facility does not encompass any Urbanized Area as defined by the U.S. Census. In such a situation, the Commission does not require the submission of a showing pursuant to Faye and Richard Tuck, 3 FCC Red 5374, 5376 (1988).

11. Consistent with the requirements of § 1.401(d) of the Commission's Rules, MBPL is simultaneously filing an FCC Form 301 application for a Construction Permit for a new commercial FM station to serve the community of Kingsland, Texas on Channel 284A, and paying the associated filing fee. In that application, MBPL states its intent to participate in an auction for the Kingsland channel, if allotted. MBPL restates such intent herein and hereby. MBPL further states its intent, should MBPL be awarded the construction permit, to build the authorized facilities, to place the constructed facilities into broadcast service, and to seek a license to cover those facilities.

BEFORE THE
FEDERAL COMMUNICATIONS COMMISSION
WASHINGTON, D.C. 20554

In re Amendment of Section 73.202(b))	
of the Commission's Rules, Table of Allotments,)	MB Docket No. 09-***
FM Broadcast Stations)	RM-*****
(KINGSLAND, TEXAS))	

To: The Office of the Secretary,
for the Attention of the Assistant Chief, Audio Division, Media Bureau

PETITION FOR RULE MAKING

Munbilla Broadcasting Properties, Ltd. (*MPBL*), by its communications counsel, and pursuant to §§ 1.401 and 1.420 of the Commission's Rules, 47 C.F.R. §§ 1.401, 1.420, hereby petitions the Commission to commence a rule-making proceeding to amend the Table of Allotments, FM Stations, 47 C.F.R. § 73.202(b), so as to allot Channel 284A to Kingsland, Texas as a first local service.¹ As MBPL will show, granting this Petition and allotting the channel as requested will further the public interest, convenience, and necessity, and the goals of Section 307(b) of the Communications Act of 1934, as amended, 47 U.S.C. § 307(b).

I. PETITION

1. MBPL hereby requests the Commission to allot Channel 284A to Kingsland, Texas as a first local service. Kingsland is a Census Designated Place with a population of 4,584, according to the 2000 U.S. Census. Kingsland is located in Llano County, at the confluence of

¹There is a pending application for a new NCE-FM Facility at Kingsland, FCC File No. BNPED-20071015AFN. However, the application is mutually exclusive with another application, FCC File No. BNPED-20071016AIO for Channel 219A at Llano, and the Point System may favor the latter rather than the former.

II. CONCLUSION

12. For all of the above reasons, the staff should promptly issue a Notice of Proposed Rule Making, and upon due deliberation, a Report and Order implementing MBPL's proposal, allotting Channel 284A to Kingsland, and terminating the proceeding.

Respectfully submitted,

ENGINEERING STATEMENT

**PETITION FOR RULEMAKING TO
AMEND SECTION 73.202 OF THE RULES
AND REGULATIONS FOR THE FEDERAL
COMMUNICATIONS COMMISSION
TO ASSIGN FM CHANNEL 284A
FOR USE AT KINGSLAND, TEXAS**

MUNBILLA BROADCASTING PROPERTIES, LTD.

AUG 2009

ENGINEERING STATEMENT

This Engineering Statement has been prepared on behalf of Munbilla Broadcasting Properties, Ltd., in support of a Petition for Rulemaking to amend §73.202 of the Commission's Rules to assign Channel 284A for use at Kingsland, Texas.

As outlined in the attached channel study, Channel 284A can be assigned for use at Kingsland in compliance with the Commission's applicable Rules and Regulations regarding the separation among FM allotments, with a site restriction 3.5 kilometers to the northwest of the community reference coordinates in order to avoid a short-spacing to KXBT on Channel 285A at Bee Cave.¹ For this study the reference coordinates of NL 30° 40' 03" x WL 98° 28' 29" have been used. This site is located within the boundaries of Kingsland. The nominal distance to the 70 dBu F(50,50) contour for a Class A station is 16.2 kilometers. Therefore, and as depicted on the attached map exhibit, this site will provide greater than 70 dBu coverage for all of Kingsland.

The allotment of Channel 284A will represent the first local service for the community of Kingsland, which is a Census Designated Place with a 2000 Census population of 4,584. The allotment will provide a 60 dBu service contour to 41,409 persons.

A maximum-parameter Class A facility at the reference point for the proposed allotment would not place a 70-dBμ f(50,50) contour over any portion of an Urbanized Area defined by the U.S. Census Bureau.

¹ Since KXBT has been reallocated from Dripping Springs to Bee Cave by grant of BMPH-20080707ADE, the indicated short-spacing to the KXBT licensed operation at Dripping Springs is considered moot.
