WC Docket No. 08-7
MB Docket No. 97-80
ET Docket No. 04-186

Dear Ms. Dortch:

On behalf of Public Knowledge, this letter is to provide information relating to discussions between Public Knowledge and a member of Commissioner Clyburn's staff on September 15, 2009.

Present at the meeting were: Gigi Sohn, President of Public Knowledge; Harold Feld, Legal Director of Public Knowledge; Michael Weinberg, Law Clerk, Public Knowledge; and Rick Kaplan, Acting Legal Advisor, Media and Chief of External Affairs to Commissioner Mignon Clyburn.

The parties discussed Public Knowledge's hope for a speedy termination of the issues included in the above referenced dockets, especially the Selectable Output Control, 700 MHz wireless microphones, and reclassification of text messaging as a stand-alone Title II service dockets. Additionally, Public Knowledge generally reviewed petitions in the above referenced dockets, and suggested that one way to resolve the wireless microphone issue would be to reclassify devices under Part 15.

In accordance with the FCC's *ex parte* rules, this document is being electronically filed in the above referenced dockets today.

Sincerely,

/s/

Michael Weinberg
Law Clerk
