Dear Ms. Dortch:

Attached is a document that Purple Communications distributed at the FCC's September 25, 2009 workshop on Ten-Digit Numbering and E911 Requirements for VRS and IP Relay.

This document is meant to identify and summarize the more important issues associated with 10 digit numbering facing consumers, the FCC and the industry in general.

Please let me know if you have any questions.

Sincerely,

Kelby Brick, Esq.
