Re: PS Docket 06-229, *ex parte* communications

Dear Ms. Dortch:

On September 24, 2009, APCO submitted a statement to the House Energy & Commerce Committee regarding public safety broadband communications. A copy of that statement is attached for submission to the record for the above-referenced proceeding. Copies are also being provided to the relevant legal advisors for each commissioner and to the Public Safety & Homeland Security Bureau.

Please contact the undersigned should the Commission require any additional information.

Respectfully submitted,

/s/
