Re: **W226AT (Facility ID No. 140350)**
Christiansburg, VA

CHANGE IN PRIMARY SERVICE STATION DESIGNATION
(Pursuant to "Report and Order" FCC 09-59, MB Docket 07-172,
74 FR 45126)

Dear Ms. Dortch:

On behalf of **Positive Alternative Radio, Inc. ("PAR")**, Licensee of FM Translator Station W226AT at Christiansburg, Virginia, we hereby advise the Commission that, pursuant to the FCC's recent "Report and Order" in MB Docket 07-172, effective October 1, 2009, the official Primary Station Designation for W226AT is now Radio Station WKNV(AM) at Fairlawn, Virginia. Radio Station WKNV(AM) is owned and operated by an affiliate of PAR. The method in which the Primary Station feeds W226AT is a direct off-air pickup.

PAR submits that this Primary Service Station Designation complies with the FCC's new service and eligibility rules for FM Broadcast Translator Stations with regard to the rebroadcast of an AM Radio Station in that WKNV(AM) has no nighttime operating authority and cannot provide service to its community of license during the nighttime hours. The 1 mV/m contour of W226AT is fully encompassed within the daytime 2 mV/m contour of WKNV(AM), as was demonstrated in the previously authorized Special Temporary Authority BSTA-20080519ABC. Accordingly, the rebroadcast of WKNV(AM) by FM Translator Station W226AT complies with the FCC's new policy.

Accordingly, please revise your records to reflect that WKNV(AM) is the Primary Station for FM Translator Station W226AT via a direct off-air pickup.

Should any questions arise concerning this matter, please contact the undersigned.

Sincerely,

Cary S. Tepper
