RE: ET Docket No. 08-59, *Amendment of the Commission's Rules to Provide Spectrum for the Operation of Medical Body Area Networks*

Dear Ms. Dortch:

On October 5, 2009, Philips Healthcare Systems timely filed Comments in the above-referenced docket. During the process of converting the document to Adobe .pdf for filing, however, Figure 1 on page B-1 was corrupted and does not appear correctly. Several typographical errors also have been corrected, but the substance and language of the attached replacement otherwise is identical to that filed yesterday. Accordingly I am attaching a corrected copy of the filing and request that it be accepted and placed in the record.

Thanks very much for your consideration.

Sincerely,

David R. Siddall
Counsel to Philips Healthcare Systems
