RE: Request for Review

CC: 02-6

Dear Darlene H Dortsch:

This letter is in regards to a request for review of USAC Decision regarding Funding Request Number: 1649766.

Appealing: Approved Erate amount for below customer for their January billing. Check received from USAC for \$357.98

Funding Year: June 2008 – July 2009

Date of document: February 23, 2009

Billed Entity Name: Sauk Centre School Dist 743

Form Application: 597831

Funding Request Number: 1649766

Billed Entity Number: 133940

I am writing this letter as an appeal to the above mentioned information. I am appealing the discounted amount that was approved for the InvoiceID # 1002373 for the January 2009 billing for Sauk Centre School Dist 743. I have also explained the customer's January bill below. I have also attached the following documents:

- USAC Administrator's Decision on Invoice Appeal
- Copy of their bill (Exhibit A)
- Copy of the check issued by USAC for \$357.98 (Exhibit B)
- Excel Spreadsheet of monthly charges for January 2009 (Exhibit C)
 - To show that Balance Due on January bill, were the total monthly charges for January
- USAC Administrator's Decision on Invoice Appeal (Exhibit D)

January bill explanation:

The customers January bill had a balance due of \$1352.60 (page 1 of bill), this was the total undiscounted amount for service which was submitted on invoiceID # 1002373, with the discount of 64%, the total discounted amount billed to USAC was \$865.66. If you look at page 1 of the customers bill you will see the following:

- Previous Balance of \$1239.46 (December bill)
- Payments of \$446.21 (which was pd by the school on 12-17-09 for Dec bill, this was the portion of the December bill that the school owed)
- Past Due Amount of \$793.25 (which was the amount that was submitted for the Dec bill and was approved by USAC)

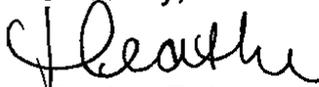

- If you add the \$446.21 & \$793.25 together you get the Previous balance of \$1239.46, which was December bills amount
- Current Charges of \$559.35 (explained below)
 - If you add \$559.35 & \$793.25 together you get the Balance Due of \$1352.60, which was the January bill amount
- Balance Due of \$1352.60 (which is the total of monthly charges for customers January bill)

After the customer's bill is created, we take the Balance due (total charges for month) and apply 64% discount. We then take this amount and transfer it from the customer's billing to a fictitious billing. Once we receive the check with the approved amount, we then apply this to the fictitious account. We do this to avoid the customer being charged any finance charges. So after the December bill was created, we did a transfer of \$793.25 from the customers bill to the fictitious billing. This transfer then shows as a credit on their January bill under the phone number of 320-352-2258. This then decreased the total of the current charges by this amount. But it does not decrease the Balance due on their January bill, as it shows a past due amount of \$793.25 and these two amounts zero each other out, so the total still owed is \$1352.60 for January. When USAC reviewed the January bill, they looked at page 1 of the bill and took the approved discount of 64% off of the current charges \$559.35 and approved the amount of \$357.98. Where as the 64% should have been calculated on the balance due amount of \$1352.60 for a total approved amount of \$865.66.

I was asking that USAC issue a check for the difference of \$865.66 and \$357.98, for a total of \$507.68.

Please feel free to call me if you have any questions.

Sincerely,

Heather Peterson

FUSC Rate Change

Effective January 1, 2008, the Federal Universal Service Charge (FUSC) will be decreasing. The FUSC is calculated by multiplying the FCC's Universal Service Contribution factor times your interstate service charge (Access Line Charge). The FUSC rate is reviewed quarterly.

Information Regarding DTV Transition

On February 17, 2009 full-power analog broadcasting will end and analog-only televisions may be unable to display full-power broadcast programming unless the viewer takes action. Viewers can get more information on the transition by going to www.DTV.gov and more information about the DTV converter box coupon program by going to www.DTV2009.gov or calling the NTIA at 1-888-388- 2009 (1-888-DTV-2009).

After February 17, 2009 a television receiver with only an analog broadcast tuner will require a converter box to receive over-the-air broadcast with an antenna. Analog-only TVs should continue to work as before with cable and satellite TV services, gaming consoles, VCRs, DVD players and similar products.

If your TV(s) are connected to diversiCOM's cable service, you do not need to do anything, we will take care of the transition here at diversiCOM for you.

Re: SLD Invoice Number: 1002373
 SLD Invoice Line: 3634616
 Vendor Invoice #: 3522258Jan09
 471 Application Number: 597831
 Funding Request Number(s): 1649766
 Correspondence Dated: March 12, 2009

After thorough review and investigation of all relevant facts, the Universal Service Administrative Company (USAC) has made its decision in regard to your appeal. This letter explains the basis of USAC's decision. The date of this letter begins the 60-day time period for appealing this decision to the Federal Communications Commission (FCC). If your letter of appeal included more than one SLD Invoice Number, please note that for each invoice for which an appeal is submitted, a separate letter is sent.

Funding Request Number(s): 1649766
Decision on Appeal: Denied
Explanation:

Invoicing made initial contact with you on January 7, 2009, via e-mail and fax, requesting you to provide documentation to support your reimbursement request within 7 days. The information that you provided in your response on January 7, 2009 omitted the December bill. As of February 19, 2009, you failed to provide a complete response to invoicing. If there is insufficient documentation to determine the eligibility of a service, the reimbursement request may be denied. You have failed to provide evidence on appeal that USAC erred in its original decision. Consequently, the appeal is denied.

If you believe there is a basis for further examination of your application, you may file an appeal with the Federal Communications Commission (FCC). You should refer to CC

Docket No. 02-6 on the first page of your appeal to the FCC. Your appeal must be received or postmarked within 60 days of the above date on this letter. Failure to meet this requirement will result in automatic dismissal of your appeal. If you are submitting your appeal via United States Postal Service, send to: FCC, Office of the Secretary, 445 12th Street SW, Washington, DC 20554. Further information and options for filing an appeal directly with the FCC can be found in the "Appeals Procedure" posted in the Reference Area of the USAC/School and Libraries web site or by contacting the Client Service Bureau. We strongly recommend that you use the electronic filing options.

Thank you for your continued support of and participation in the E-rate program.
