Re: ***Reexamination of Roaming Obligations of Commercial Mobile Radio Service Providers, WT Docket No. 05-265; Applications of Celco Partnership d/b/a Verizon Wireless and Atlantis Holdings LLC, WT Docket No. 08-95***

Dear Ms. Dortch:

Yesterday the undersigned met with Ruth Milkman, Chief of the Wireless Telecommunications Bureau, concerning the petitions for reconsideration and related pleadings filed in the above-referenced dockets concerning in-market roaming. I reiterated Verizon Wireless's positions on roaming and the merger conditions related to roaming that are a matter of record in both proceedings. I also discussed Verizon Wireless's July 22, 2009 letter to the Honorable Henry Waxman, Chairman, House Energy and Commerce Committee, concerning in-market roaming, which has been filed in both proceedings.

Pursuant to Section 1.1206 of the Commission's Rules, this letter has been filed electronically with the Commission. Should you have questions regarding this filing, please contact the undersigned.

Sincerely,

A handwritten signature in blue ink that reads "John T. Scott, III".
