**Re: Notice of Oral Ex Parte Presentation
Regarding GN Docket Nos. 09-47, 09-51, 09-137**

Dear Ms. Dortch:

On behalf of QUALCOMM Incorporated (“Qualcomm”), this is to report that on Friday, October 30, 2009, my colleagues Larry Hartigan, Rajiv Laroia, Baaziz Achour, Mahesh Makhijani, and I met with the following members of the FCC staff: Carlos Kirjner, Arnab Das, and Joseph Soban. FCC staff members Rob Curtis and Stagg Newman participated in the meeting by phone. In addition, my colleagues and I had a brown bag lunch with FCC staffers including Carlos Kirjner, John Leibovitz, Tom Peters, Rebecca Hanson, Ziad Sleem, Phoebe Yang, Jessica Strott, Peter Bowen, David Eisenberg; Nick Sinai, and Jennifer Flynn.

During the meeting and the brown bag lunch, my colleagues and I answered various questions from the FCC staff members about the capabilities of 3G and LTE mobile broadband technologies and other Qualcomm technologies, products, and services which are described in our filings in the above-referenced proceedings. To the extent that policy questions were discussed, the positions we espoused are fully consistent with our filings in the above-captioned proceedings, which describe those positions at length.

Respectfully submitted,

/s/ Dean R. Brenner
