by Bronwyn Howell, General Manager of the New Zealand Institute for the Study of Competition and Regulation,

filed on November 13, contains an error in the second sentence in the first paragraph on page 17.

The sentence

“Removing Switzerland from the data sets analysed removes one quarter of the observations relating to countries where LLU was operational at the time”

should read

“Removing Switzerland from the data sets analysed removes one quarter of the observations relating to countries where LLU was **not** operational at the time”.
