Re: Ex Parte Presentation (IB Docket No. 95-91; WT Docket No. 07-293)

Dear Ms. Dortch:

On November 17, 2009, James Blitz of Sirius XM Radio, Inc. ("Sirius XM") and Gregg Elias and I from Wiley Rein, LLP discussed issues associated with the above-captioned proceedings with Charles Mathias, Legal Advisor to Commissioner Baker.

Sirius XM summarized the status of the two proceedings, focusing on the two days of demonstrations and tests with WCS licensees and FCC staff.¹ Sirius XM again emphasized that if the Commission were to amend its rules to allow mobile WiMAX operations in the WCS band, those rules should identify and detail mobile WCS operating parameters and usage restrictions that would protect Sirius XM's subscribers. We also provided Mr. Mathias with a summary presentation² that has been previously inserted into the record.

Sincerely,

/s/ Robert L. Pettit

Robert L. Pettit
Counsel to Sirius XM Radio, Inc.
