Re: *In the Matter of A National Broadband Plan for Our Future*, GN Docket No. 09-51

Dear Ms. Dortch:

Today Frank Schueneman, representing Windstream, spoke via telephone with Rohit Dixit of the FCC's National Broadband Plan team. Mr. Schueneman provided further details regarding the design of Windstream's broadband network and costs associated with offering broadband service. The conversation was consistent with the attached and with the positions Windstream has taken previously in the above-referenced proceeding.

Please feel free to contact me if you require additional information.

Sincerely,

/s/

Jennie Chandra
