Broadband Industry Practices, WC Docket No. 07-52

Dear Ms. Dortch:

On November 24, 2009, Walter McCormick and I met with Eddie Lazarus, Chief of Staff, Office of Chairman Genachowski. We discussed investment, competition and jobs in the telecommunications and ICT sectors, USTelecom's views concerning key FCC priorities and concerns over the potential negative implications of the proposed nondiscrimination standard in the Commission's Open Internet NPRM. We reviewed the attached list of priorities and slides.

Pursuant to Section 1.1206(b) of the Commission's rules, a copy of this electronic notice is being filed in the above-referenced dockets. Please call me if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "Jonathan Banks".
