Re: Telecommunications Relay Services and Speech-to-Speech Services
for Individuals with Hearing and Speech Disabilities, CG Docket No. 03-
123; CC Docket No. 98-67, E911 Requirements for IP-Enabled Service
Providers, WC Docket No. 05-196

Dear Ms. Dortch:

On November 30, 2009, AT&T representatives Gail Sanchez, Michael Yoest, and I had a conference call with William Dever, Nicholas Alexander and Richard Hovey in response to questions regarding the use of toll free numbers for Internet-based Telecommunications Relay Services (TRS). AT&T has not been contacted by any VRS customers indicating an inability to complete point to point calls to 800 numbers. In addition, AT&T does not assign toll-free numbers to registered AT&T VRS customers.

One electronic copy of this Notice is being submitted in the above-referenced proceeding in accordance with Section 1.1206 of the Commission's rules.

Respectfully submitted,

A handwritten signature in cursive script that reads "Celia Nogales".
