**Re: *EX PARTE PRESENTATION -- Telecommunications Relay Services And
Speech-to-Speech Services for Individuals with Hearing and Speech
Disabilities, CG Docket No. 03-123***

Dear Ms. Dortch:

On November 30, 2009, Sprint's Michael Ellis, Barbara Garcia, Mark Tauscher, Maggie Schoolar and the undersigned met via conference call with the Wireline Competition Bureau's staff members Nick Alexander, William Dever, and Richard Hovey. The conference call was at the request of the Bureau so as to enable staff to gather information regarding the ability of Sprint's registered VRS users when making point-to-point calls using their previously-assigned 1-8xx numbers after November 12, 2009, *i.e.*, the date by which such users had to have a registered 10-digit number in order to make IP-based relay calls.

If you have any questions, please contact me.

Respectfully submitted,
