Re: *Applications of AT&T Inc. and Verizon Wireless For Consent to Assign or Transfer Control of Licenses and Authorizations and Modify a Spectrum Leasing Arrangement, WT Docket No. 09-104*
REDACTED - FOR PUBLIC INSPECTION IN WT Docket No. 09-104
before the Federal Communications Commission

Dear Ms. Dortch:

In accordance with the *Protective Order*¹ in the above-referenced proceeding and the instructions set forth in the Commission's General Information Request dated November 19, 2009 ("Request"), enclosed please find the redacted partial narrative response of AT&T Inc. to that Request, together with the redacted attachments to the partial narrative response. On November 25, 2009, AT&T and Verizon Wireless requested the issuance of a second protective order in this proceeding to provide for additional protections for highly confidential information. Pending resolution of the request for a second protective order, the FCC staff has asked AT&T to file a partial response to the Request. Accordingly, set forth in the partial response are AT&T's responses to the questions in the Request for which neither the narrative answers nor any related attachment contains information for which AT&T has sought protection under a second protective order. A CD-ROM containing the unredacted confidential partial response is being filed today with the Secretary's Office, and copies of both the unredacted and redacted versions are being hand delivered to the staff.
