Re: GN Docket Nos. 09-47, 09-51, and 09-137

Dear Ms. Dortch:

On December 8, 2009, Diana Pallais, Randy Siegel, and Paula Boyd of Microsoft spoke with Jessica Strott and Brian David of the Commission. As part of the discussion, Ms. Pallais identified effective ways to develop and implement programs to address the country's broadband adoption challenges; her comments were based on her work with the Microsoft Partnerships for Technology Access program. Ms. Pallais and the other attendees from Microsoft also responded to questions raised by Ms. Strott and Mr. David in connection with this issue.

Pursuant to the Commission's rules, a copy of this letter is being filed electronically in the above-referenced dockets. Please contact the undersigned if you have any questions concerning this submission.

Respectfully submitted,

/s/ Paula Boyd
