Re: *Ex Parte*, CS Docket No. 97-80, GN Docket No. 09-51

Dear Ms. Dortch:

This is to inform you that on December 11, 2009, Matthew Zinn, Senior Vice President, General Counsel, Secretary & Chief Privacy Officer, TiVo Inc. ("TiVo") and the undersigned met with Colin Crowell and Shomik Dutta of the Office of Chairman Genachowski.

We discussed issues relating to Section 629 of the Communications Act and the recent National Broadband Plan Public Notice on video device innovation.¹ We also discussed the movement of channels from one-way to two-way technologies such as switched digital video, and expressed TiVo's view that as operators deploy new technologies to provide programming delivered on a per channel basis, they must ensure that unaffiliated retail devices that are technically capable of receiving such programming can continue to receive those signals.

¹ *Comment Sought on Video Device Innovation*, NBP Public Notice # 27, GN Docket No. 09-47, 09-51, 09-137; CS Docket No. 97-80, DA 09-2519 (rel. Dec. 3, 2009).

Please direct any questions regarding this matter to the undersigned.

Respectfully,

A handwritten signature in black ink that reads "T. Devendra Kumar". The signature is written in a cursive style with a horizontal line underlining the name.

Devendra T. Kumar
Attorney for TiVo Inc.

cc: Colin Crowell
Shomik Dutta
